

Edgar Butler Jr

A corporate leader, business owner, mentor, author, and coach. As a corporate leader, Edgar has led teams responsible for managing multi-million dollar books of business. He has also helped develop and recruit talent for leading corporations. Edgar has taken life lessons from many walks of life, and he understands what it means to find your purpose in life and pursue it with passion!

Student Professional Development Series

The Student Professional Development Series will help students develop self-awareness, enhance written and verbal communication skills, and build confidence through a series of development sessions.

Session 1: Personal branding – Students learn how to develop and maintain their personal brand and the role social media plays. Students will also learn how to identify their passion and skills for career pursuit.

Session 2: Industry research – Students learn how to research their career of interest and what it takes to have a career in that field.

Session 3: Research follow-up and planning – Students discuss their industry research and learn how to create a plan for pursuing a career in their field of interest. Students will also learn the different avenues to gain valuable experience to increase their competitiveness.

Session 4: Resume building – Students learn how to create a resume. The "do's and don'ts" for creating a professional resume.

Session 5: Interview preparation – Students learn the different types of interviews and how to prepare to ace them!

Session 6: Networking and relationship building – Students learn tips for networking and how to transition into building relationships. Students will also learn how to leverage social media for networking and relationship building.

Session 7: Final session – Discuss the connections students made from networking and students ask any lingering questions.
